He proved it to the extinction of Niklaus altogether
(Niklaus Alopysius having been the Gripe's binder ninth
bum) by Neuchous and by Anaxagoras, Marmisen
and Thompson, by Orasius and by Amenius and after
that he reproved it altogether by the binomial dioram
and the penic walls and the miles all the ends of
the rule of the hoop and the blessings of expedience and the

"In a thousand years" Gripes, you will be blind
to the world," said the Mookse.
"In a thousand years" replied the Gripes "you
may be still more bothered". "I shall be chosen as
the first of the last by the electress of Vale Hallow"
said the Mookse nobly "for I am in the stabulary
that's what I am like but" "I have confessed the
Gripes lin... shall not even be the last of the first."
